## SUMMARY

Frontend/Web Developer with hands-on experience in building responsive web applications using JavaScript, HTML, CSS, and MongoDB. Completed academic projects with authentication, CRUD functionality, and database integration. AWS certified and active in DSA problem solving.

## EDUCATION

**Vellore Institute of Technology, Bhopal**

Bachelor of Science in Computer Science, CGPA: 8.40 / 10

Bhopal, Madhya Pradesh

Oct 2022 – May 2026

## PROJECTS

**News Website (Academic Project)** | JavaScript, HTML, CSS

June 2023 – July 2023

- Developed a **news web application** with **category-based filtering** to improve content navigation and user experience.
- Implemented **user authentication** with **JWT-based authorization** for secure login and access control.
- Designed and tested **RESTful APIs** to support **CRUD operations** for news articles.
- Integrated a **Content Management System (CMS)** to enable easy publishing, editing, and updating of content.
- Applied **SEO best practices** (meta tags, structured content, optimized pages) to improve **search engine visibility**.

**Food Delivery Website** | JavaScript, Node.js, HTML, CSS, MongoDB

Nov 2024 – Jan 2025

- Created a basic **food delivery website** for browsing food items and viewing menu details.
- Developed **menu, cart, and checkout/order flow pages** using **JavaScript** for dynamic interactions.
- Designed a **responsive UI** using **HTML and CSS**, optimized for mobile and desktop screens.
- Connected the application with **MongoDB** to store and manage food items and order-related data.
- Enhanced user experience with **form validations, smooth navigation, and clean layout design**.

## TECHNICAL SKILLS

**Programming Languages:** Python, C++, JavaScript, SQL

**Web Technologies:** HTML, CSS

**Frameworks:** React.js, Node.js

**Databases:** MongoDB

**Tools:** Git, GitHub, AWS, VS Code

## ACHIEVEMENTS

- Earned **AWS Academy Cloud Foundations** and **Cloud Architecting** Certification - 2025
- Solved 100+ Data Structures and Algorithms problems on **LeetCode, CodeChef, GFG and Coding Ninja**

## EXTRACURRICULAR ACTIVITIES

**Web Development, Freelancing Club**

VIT, Bhopal

Developed a responsive website for the club to improve member **visibility** and access to resources.

**Kabaddi, VIT Bhopal**

Participated in university-level kabaddi tournaments; gained experience in **teamwork, leadership, and time management**.
